● **1950**

A Visionary Move!

It was in the year 1950, Gurudev with his followers spearheaded the movement of voluntary service by organizing a free eye camp at Chitrakoot. Despite the many challenges and the absence of basic facilities, the team was able to facilitate around 950 cataract operations through the camp.

● **1968**

The Beginning of a New Era!

These efforts gradually led to the establishment of the formal institution “Shri Sadguru Seva Sangh Trust” (SSSST), under the chairmanship of the late Shri Arvindbhai N. Mafatlal.

● **2026**

Story so Far...

Over the years, the organization has grown up to a greater strength and has become one of the largest rural non-governmental organization, actively delivering in integral areas of socio-economic development.

CHAIRMAN'S FOREWORD

VISHAD P. MAFATLAL

CHAIRMAN

SHRI SADGURU SEVA SANGH TRUST

It is my privilege to present the Annual Report of Shri Sadguru Seva Sangh Trust, highlighting another year of purposeful growth and social impact. Rooted in the blessings of Param Pujya Shri Ranchhoddasji Maharaj and inspired by the enduring vision of our Founder Chairman, Late Shri Arvindhbai N. Mafatlal, the Trust continues its journey towards empowering rural communities through healthcare, education, women's empowerment and welfare initiatives.

We fondly remember Padma Shri Dr. B. K. Jain, whose extraordinary dedication, wisdom and institution-building leadership shaped the Trust's transformative journey across Chitrakoot and beyond. His life remains a lasting source of inspiration for all of us.

This year marks an important milestone with the upcoming operationalisation of Sadguru Netra Chikitsalaya, Kashi, envisioned as a modern tertiary eye care institution serving underserved communities across Eastern Uttar Pradesh. Alongside this, several outreach and development initiatives have continued to strengthen our engagement with communities at the grassroots level.

The progress reflected in this report has been made possible through the trust and support of our patients, staff, volunteers, trustees, donors, partners, government agencies and well-wishers. To each one of them, we express our sincere gratitude.

With renewed commitment and collective strength, we move forward in our shared mission of compassionate service and inclusive rural development.

With warm regards,

STORY OF CHANGE

Empowering a Daughter, Strengthening a Family

*How Haseena became a source of support
and pride for her family.*

Haseena, a 26-year-old from Sitapur, Chitrakoot District, Uttar Pradesh, belongs to a humble family with three elder sisters and two elder brothers. After losing her father two years ago, the responsibility of running the household fell on her brothers, one of whom sells vegetables while the other works as a driver. Despite financial challenges, Haseena dreamed of continuing her education and becoming financially independent so she could support her family. In 2022, she joined the two-year Vision Technician Training Program at Sadguru Netra Chikitsalaya, Chitrakoot. During the training, she gained professional skills, confidence, and personal growth. After successfully completing the course, she secured placement at Banda City Clinic, Uttar Pradesh, where she now serves the community as a Vision Technician.

“

Earlier, I used to depend on others for help, but now I am able to help others. I have got a new identity, and I feel truly proud of myself.

—Haseena, Vision Technician”

Today, Haseena contributes financially to her household and has become confident and self-reliant. The course has given her dignity, independence, and a new identity in society.

Helping patients see better,
one step at a time.

Compassionate care for
every patient.
