OUR GUIDING FORCE

VISION
“Service to Humanity”

MISSION
“Food for the Hungry, Clothes for the Destitute and Sight for the Blind”

Param Pujya Shri Ranchhoddasji Maharaj
1950

A Visionary Move!
It was in the year 1950. Gurudev with his followers spearheaded the movement of voluntary service by organizing a free eye camp at Chitrakoot. In spite of having all the difficulties and absence of basic facilities, the team was able to perform around 950 cataract operations through the camp. So far, Sadguru has completed its 11th Tara Netradaan Yagnas.

1968

The beginning of a new era!
These efforts gradually converged into establishing a formal institution “Shri Sadguru Seva Sangh Trust” (SSSST), under the chairmanship of Late Shri Arvindbhai N. Mafatlal. The Trust was formally established in the year 1968 at Dhar, Indore in Madhya Pradesh, India.

Story so far....
Over the years, the organization has grown up to a greater strength and has become one of the largest rural non-governmental organization. actively delivering in integral areas of socio-economic development.

THE CENTRE FOR ACADEMICS RESEARCH & TRAINING (CART)

Academics:
This arm is focussed on developing SNC as a centre of theoretical and clinical excellence in ophthalmology.

Research:
Here, our aim is meaningful research in the Indian perspective. All those undergoing training should be exposed to various components of research. They should be in a position to formulate a research question, review literature, define and implement the methodology, harness appropriate data, arrange for relevant statistical analysis, draw relevant conclusions and then put all the data together as an article for publication in a peer review journal. Additionally, they should be able to scan journal articles for reasonable conclusions such that they can be used for management of the individual Indian patient.

EDUCATION PROGRAMMES

The Trust firmly believes in the value of education for all and it realizes that literacy largely contributes in bringing community to the mainstream of social life & economy. In order to provide quality & affordable education to the children of the economically weaker sections of the society, the Trust ventured into education and started with one school initially & gradually introduced higher education institutes to foster quality and affordable education to the children in the rural area. The Trust realized that an all-round personality development and grooming of our students is the core function of the school. Our holistic, creative and a diverse curriculum ensures a culture based learning for the future generation of India.

SHRI SADGURU MAHILA BAHU. SAHAKARI SAMITI MARYADIT

For a society to truly progress, each section of our community should be empowered. Empowering women to participate fully in economic and social life, is essential to build a stronger community. At Sadguru, we make the best possible efforts after looking at the situation of women and gender inequalities that exist in rural areas, to empower women in all spheres ranging from economic, social, political and psychological. Special programmes for women are formulated and organized to uplift and encourage them to join activities which will help them to be financially independent.

Job Oriented Programmes

Apart from giving employment to households through our Mahila Samiti at Chitrakoot, we also facilitate job oriented training, whereby rural women can bring livelihood for their families.

Ramasre, a 60-year-old resident of Rasulpur Village in Uttar Pradesh and with the MR No- F1653425, had been suffering from cataracts. As a daily wage worker, his livelihood was dependent on his vision. However, due to the development of cataracts, he could no longer work. This situation had a ripple effect on his family, causing his 15-year-old unmarried daughter, Suman, to drop out of school due to their financial situation. He is having two sons who are living separately and are not able to help him financially. Ramasre was the only earning member of his family and had the responsibility of providing for his family and arranging the marriage of his daughter.

Fortunately, Ramasre was selected to receive free eye surgery at one of the outreach camps organized by the Shri Sadguru Seva Sangh Trust. He reached the SNC base hospital in Chitrakoot on 23rd March 2023 and underwent cataract surgery immediately in his right eye. He was discharged the next day, 24th March 2023, with a post-operative vision of 6/18.

After the successful cataract surgery, Ramasre was able to return to work, and his daughter Suman could continue her education and eventually got married. Upon leaving Sadguru trust, Ramasre expressed his gratitude by saying, "I can see clearly again! Thank you so much for restoring my vision. It's like a whole new world has opened up to me. I feel so blessed and grateful for this gift."

Sadly, many people like Ramasre living in rural and the most remote interior areas of central India do not have access to proper eye care services. However, Our Trust is dedicated to providing a vision of hope to those in need. We urge you to donate now and help us in our mission to eradicate avoidable blindness.
