VISION
“Service to Humanity”

MISSION
“Food for the Hungry, Clothes for the Destitute and Sight for the Blind”
**A Visionary Move!**

It was in the year 1950, Gurudev with his followers spearheaded the movement of voluntary service by organizing a free eye camp at Chitrakoot. In spite of having all the difficulties and absence of basic facilities, the team was able to perform around 950 cataract operations through the camp. Sadguru has completed its 105th Tara Netradaan Yagna.

---

**The beginning of a new era!**

These efforts gradually converged into establishing a formal institution “Shri Sadguru Seva Sangh Trust” (SSSST), under the chairmanship of Late Shri Arvindbhai N. Mafatlal. The trust was formally established in the year 1968 at Dhar, Indore in Madhya Pradesh, India.

**Story so far ....**

Over the years, the organization has grown up to a greater strength and has become one of the largest rural non-governmental organizations, actively delivering in the integral areas of socio-economic development.

---

The name of the Trust amalgamated the core principle of ‘SEVA’ (Selfless Service) and the ideal of righteousness. His principles and ideology have continued to be the guiding strength for the Trust and its multifarious activities.

**THE CENTER FOR ACADEMICS RESEARCH & TRAINING (CART)**

**Academics:**
This arm is focused on developing SCN as a centre of theoretical and clinical excellence in ophthalmology.

**Research:**
Here, our aim is meaningful research in the Indian perspective. All those undergoing training should be exposed to the various components of research. They should be in a position to formulate a research question, review literature, define and implement the methodology, harness appropriate data, arrange for relevant statistical analysis, draw relevant conclusions and then put the whole thing together as an article for publication in a peer review journal. Additionally, they should be able to scan journal articles for reasonable conclusions such that they can be used for management of the individual Indian patient.

Sushila from Shivrampur village comes from an underprivileged family. Her husband works as a tailor in the nearby tailoring shop and is not able to make both ends meet due to insufficient salary to support his dependent father, mother and younger sister.

Witnessing this crisis, Sushila decided that she too will learn sewing and support the family. She joined Sadguru vocational training centre and started learning the skills. Her husband bought an old sewing machine for her to practice and with her determination and hard work, very soon she started taking alteration jobs in her village. Mahila Samiti decided to start manufacturing non-woven fabric mask, gowns and drapes in 2016.

Sushila was considered to work at the manufacturing unit full-time and since the past five years, she has been supporting Mahila Samiti in making non-woven masks, drapes and gowns for Surgeons and patients.

She has been an outstanding support in producing mask and PPE kits during COVID-19 Pandemic Lockdown. She has not only increased the production rate but has significantly trained new staff and has reduced wastage.

Sushila’s family is now financially stable by supporting her husband and the dependent family.

Her words, "This training and job has transformed my life; I want to support my husband, so that he can open his own tailoring shop. "I will always be indebted for the support and encouragement given by Smt. Usha B Jain".
Shri Sadguru Seva Sangh Trust has proved to be the warriors who have taken on the responsibility with their heart and soul.

The Doctors and their efficient team have tirelessly worked round the clock to serve the COVID-19 patients during the second wave of the pandemic.

They have also played an important role in the Vaccination program initiatives and awareness generation to fight against COVID.

They are truly fulfilling the vision of Param Pujya Gurudev i.e., “Service to Humanity”.

We salute them for stepping forward in these tough times and their altruistic contribution.
GRATITUDE

We at Shri Sadguru Seva Sangh Trust wish to convey our heartfelt gratitude to all our Donors, Partners and all well-wishers worldwide. We also sincerely thank our enduring members, volunteers and disciples of “Gurudev”.
