ACTIVITY REPORT
2019-20

A BIG SALUTE TO THE CORONA WARRIORS
OUR GUIDING FORCE
Param Pujya Shri Ranchhoddasji Maharaj

VISION
“Service to Humanity”

MISSION
“Food for the Hungry, Clothes for the Destitute and Sight for the Blind”
A Visionary Move!
It was in the year 1950, Gurudev with his followers spearheaded the movement of voluntary service by organizing a free eye camp at Chitrakoot. In spite of having all the difficulties and absence of basic facilities, the team was able to perform around 950 cataract operations through the camp. Sadguru has completed its 105th Tara Netradaan Yagna.

1968
The beginning of a new era!
These efforts gradually converged into establishing a formal institution “Shri Sadguru Seva Sangh Trust” (SSSST), under the chairmanship of Late Shri Arvindbhai N. Mafatlal. The trust was formally established in the year 1968 at Dhar, Indore in Madhya Pradesh, India.

Story so far ....
Over the years, the organization has grown up to a greater strength and has become one of the largest rural non-governmental organizations, actively delivering in the integral areas of socio-economic development.

The name of the Trust amalgamated the core principle of ‘SEVA’ (Selfless Service) and the ideal of righteousness. His principles and ideology have continued to be the guiding strength for the Trust and its multifarious activities.

Academics:
This arm is focused on developing SNC as a centre of theoretical and clinical excellence in ophthalmology.

Research:
Here, our aim is meaningful research in the Indian perspective. All those undergoing training should be exposed to the various components of research. They should be in a position to formulate a research question, review literature, define and implement the methodology, harness appropriate data, arrange for relevant statistical analysis, draw relevant conclusions and then put the whole thing together as an article for publication in a peer review journal. Additionally, they should be able to scan journal articles for reasonable conclusions such that they can be used for management of the individual Indian patient.

Over the last 15 years, Shri Sadguru Sankalp Netra Chikitsalaya has been instrumental in combating needless blindness in rural parts of central India. The high quality eye care service oriented model with modern ophthalmic techniques and community-based outreach activities, to serve the underserved population residing in the extreme rural locations has differentiated it from all other service providers and has gained recognition at national and international levels.

EDUCATIONAL PROGRAMMES

The Trust firmly believes in the value of Education for all and it realizes that literacy largely contributes in bringing community to the mainstream of social life & economy. In order to provide quality & affordable education to the children of the economically weaker sections of the society, the Trust ventured into Education and started with one school initially & gradually introduced higher education institutes to foster quality and affordable education to the children in the rural area. The Trust truly realises that an all round personality development and grooming of the students is the core function of the school. Our holistic, creative and a diverse curriculum ensures a culture based learning for the future generation of India.

OVERVIEW

Promoting job oriented education & training with professional development of rural women

Bringing equality through community participation

Nurturing leadership among women

Employed over 300 rural women

Focus on rural women socio economic welfare & enhancing the standard of living

Job oriented training to rural women

CHITRAKOOT

Shri Sadguru Mahila Bahuddeshiya Sahkari Samiti Maryadit

Sadguru Vocational Training Centre

ANANDPUR

Shri Sadguru Sankalp Mahila Samiti
For a society to truly progress, each sector of the community should be empowered. Empowering women to participate fully in economic and social life, is essential to build a stronger community. The empowerment of women should be in all spheres ranging from economic, political and psychological. At Sadguru, we have put forth our best efforts by looking at the situation of women, gender inequalities that existed in rural areas, special programmes for women are formulated and organized to uplift them and join the mainstream women into economic activities.

**Job Oriented Programmes**

Apart from giving employment to households through our Mahila Samiti at Chitrakoot, we also facilitate job oriented training, whereby rural women can bring livelihood for their families.

**Vocational Courses Offered**

- Sewing
- Beautician
- Soft Toys Manufacturing
- Stitching (Kadhai)
- Food Processing (Cooking)
OVERVIEW

Care For Over 1500 Non-milking Cows

Annual Milk Production
Over 3.14 Lakh Liters

‘Go Green’ Initiative

Rain Water Conservation

Over 50,000 Tree Plantations so far

KEY INITIATIVES

Gau Seva Kendra

Gaushala (Dairy Farm)

Solar Energy Production

Modern & Organic Farming

Bio-Gas Production

River cleaning & revival

Hydroponic Cultivation
**Sadguru Gau Seva Kendra**
The Trust runs a Gau Seva Kendra throughout the year in which approximately 1500 non-milking cows (the cows which are abandoned by the farmers for being unproductive) are provided with shelter, fodder, Medicine & drinking water.

**Sadguru Dairy Farm**
The Trust has maintained a Dairy Farm which caters to its own domestic requirement of pure milk. The Trust persists on high yielding cross breed cows, having a total herd strength of 165 (H.F and Jr.) milking cows. The feed for cows is also produced in house by practicing “Organic farming”. The cow urine and manure are used as insecticide and compost.

There is a poor family of six members which includes mother, father and four kids. Among the six members, father along with three kids has bilateral cataract. Initially father of the kids thought this cannot be treated as per the advises of his parents and the other members from the village. The parents never took him to the doctor and he never received any treatment, he grew with a poor eye sight and made his routine according to his poor eye sight, but when he was screened in the camp and was told that this can be treated, he was really happy. He immediately asked his wife to bring the kids to the hospital as he had hopes that the kids could be treated also. The children were screened at Sadguru Nethra Chikitsalaya, Department of Pediatrics and Strabismus and was found that Mohit – 9 years, Shivani – 6 years and Kanchana – 3 years have bilateral cataract and need surgical intervention immediately. Here at Sadguru Netra Chikitsalaya all four of them underwent free of Charge successful cataract surgeries and were provided with the world class eye care facility.

I am so happy that finally my kids don't have to suffer what I have suffered as a kid with poor vision.
Team of Nurses at “Shri Sadguru Seva Sangh Trust” have proved to be the warriors who have taken on the responsibility with their heart and soul. Their “Seva” in the forefront and management in patient screenings, placement as well the care of patients in both Eye Hospital & General Hospital is truly remarkable. They are tirelessly working round the clock, pushing themselves to the limit, with all the precautions required against the COVID-19 and serving the patients for their care and treatment.

They are fulfilling the vision of Param Pujya Gurudev i.e., “Service to Humanity”.

We salute them for stepping forward in these tough times and their altruistic contribution.
GRATEFULNESS

We at Shri Sadguru Seva Sangh Trust wish to convey our heartfelt gratitude to all our Donors, Partners and all well-wishers worldwide. We also sincerely thank our enduring members, volunteers and disciples of “Gurudev”.

[Logos of various organizations]
